

VISHWAA REDDY

B.Sc. in Data Science (Completed)

SIES College of Arts, Science & Commerce(EMPOWERED AUTONOMOUS)

Phone : +91 – 9321614025

Email : vishwaavreddy@gmail.com

Address : 5A Pmgp H-block, Mumbai-400017

Education		
2025-26	SIES COLLEGE OF ARTS,SCIENCE AND COMMERCE (EMPOWERED AUTONOMOUS), Sion(W), Mumbai.	8.33/10
2023	12 th (Senior Secondary Examination) Central Board of Secondary Education	58.33%
2021	10 th (Secondary Examination) Central Board of Secondary Education	72.80%

Professional Experience & Training

Feb 2026 – April 2026	IIT Bombay Spoken Tutorial - Developed and deployed a Personal Expense Tracker application utilizing Python and HTML, focusing on structured data management and an intuitive user interface. - Implemented data validation and tracking features to securely log, monitor, and visualize daily financial inputs.
April 2025	GenAI Job Simulation – BCG X (Forage) - Completed GenAI virtual job simulation with practical tasks. - Worked on data extraction and initial analysis. - Developed an AI-powered financial chatbot prototype. - Gained exposure to real-world AI workflows and problem-solving.
May 2025 – June 2025	Artificial Intelligence & Machine Learning Intern – Elevate Labs (MSME Certified) BEST PERFORMER AWARD - Completed a certified internship under Skill India + MSME Govt. of India. - Worked on real-world AI/ML projects involving model building and deployment. - Demonstrated exceptional analytical thinking and dedication. - Recognized as Best Performer for outstanding contribution, professionalism, and project execution.
2024	Event Chairperson – Nexora Event (Mumbai) Organized and managed one of the largest college events with 8,000+ attendees. Led end-to-end event planning and execution.

Technical Projects

Drowsiness Detection System: Engineered a real-time computer vision monitoring system for driver safety. Utilized OpenCV, Python, and Machine Learning to detect fatigue via Eye Aspect Ratio (EAR) and facial landmark tracking. FitMind Tracker: Developed a personalized mental wellness tracking system utilizing data science and data mining approaches to analyze user metrics as part of a B.Sc. thesis project. HR Report Dashboard: Built a full-stack dashboard utilizing Python and Flask to manage and download complex HR reports and metrics. Social Media Analytics Dashboard: Architected an interactive analytics dashboard integrating Python
--

and Power BI to visualize engagement metrics. ML Forecasting Models: Built and tuned machine learning models for forecasting and classification tasks utilizing scikit-learn, focusing on rigorous data preprocessing and model evaluation.	
Technical Skills	
- Programming Languages: Python, AHT, R, JavaScript, PHP,NLP. - AI/ML & Data Science: Scikit-learn, TensorFlow, Computer Vision (OpenCV), Data Visualization, Model Evaluation, Natural Language Processing ,CC (Cloud Computing) ,DWM (Data wareHouse and Mining). - Web & Database Technologies: React, HTML, CSS, MySQL. - Data Tools: Power BI, Tableau, Advanced Excel, Google Sheets.	
Leadership & Extracurriculars	
2025-26	Gymkhana Joint Secretary Managed campus sports events and drove student engagement by analyzing participation trends. Generated time-to-time reports on event metrics and attendance to optimize future resource allocation and activity planning.
2024-25	Event Chairperson, Nexora Event Directed end-to-end planning and execution for one of Mumbai's largest college events. Managed and processed a database of 8,000+ attendee records, performing thorough data cleaning, registration tracking, and engagement analysis to ensure seamless operations.
2024	Sports Achievements Represented the college in multiple tournaments and inter-state events; hold a District Certificate in Kabaddi.
Languages	English, Tamil, Hindi, Marathi
